

Xi'an Shiyou University

2024-2025 Postgraduate Program Admissions Guide

西安石油大學
XI'AN SHIYOU UNIVERSITY

Welcome to Xi'an Shiyou University

Deadline of Application: 30th, June.

University Profile

Founded in 1951, Xi'an Shiyou University is the only public university in Northwest China featuring petroleum and petrochemical technology. It is jointly built by the People's Government of Shaanxi Province and the three major national petroleum companies. The university is a national "Fourteen Five-Year Plan Education Power Promotion Project" construction university, Shaanxi Province "Double first-class" cultivation university and high-level university construction university, is the Chinese Government Scholarship for international students recruitment university.

The university consists of 17 colleges and 1 direct department, with over 23,000 students and 1870 faculty members, including 1360 strong full-time professor, and more than 640 doctoral supervisors and master supervisors.

The university has vigorously carried out scientific research, and its scientific research has been continuously gathering strength. In the past five years, 780 research projects at the national, provincial and ministerial levels, including the National Natural Science Foundation and the National Social Science Foundation carried out with a total funding of 855 million yuan.

The University actively carries out international cooperation, and has established cooperation and exchange relations with 106 universities (institutions) from the United States, Canada, the United Kingdom and other countries, and has trained more than 9,000 international students from 93 countries, including undergraduates students, Chinese and English postgraduate students, language students and short-term students.

Introduction to Xi'an Shiyou University

First

- ◆ The first petroleum engineering and petro-chemical engineering university in China (Founded in 1951)

Science Research

- ◆ 41 National and Provincial Laboratories
- ◆ 7 Characteristic research field

Unique

- ◆ The only university in northwest China features petroleum engineering and petro-chemical engineering

Three

- ◆ The university has three campuses, covers an area of 2133 acres in total

Internationalization

- ◆ Conducting exchanges and cooperation with 106 institutions globally
- ◆ Recruited students from 93 countries
- ◆ Authorizing Chinese Government Scholarship university
- ◆ Initiating University of Silk Road Energy Education Technology Industry-University-Research Alliance
- ◆ Jointly building "Turkmenistan Center" with Turkmenistan Embassy in China
- ◆ Jointly build "Energy Research Center for Belt and Road" with Pakistan National University of Science and Technology
- ◆ Established "China-Malaysia Education, Technology, Industry-Education and Research Alliance" with Malaysian University of Petroleum
- ◆ Co-founded "Russian Language and Culture Center" with Buryatia State University

Outstanding

- ◆ National "fourteen-five-year Education Promotion Project" construction university
- ◆ Shaanxi Province "Double world-class" cultivation university, High-level university support by Shaanxi Province

Feature Programs

- ◆ 5 national characteristic majors
- ◆ 12 majors selected as national first-class undergraduate major construction points
- ◆ 15 majors selected as provincial first-class undergraduate major construction point
- ◆ 3 national professional comprehensive reform pilot projects
- ◆ 10 Shaanxi provincial characteristic majors
- ◆ 5 Shaanxi provincial famous brand majors

Student Awards

- ◆ More than 5,000 national and provincial awards in competitions and scientific technological activities

Outstanding Engineers Plan

- ◆ 5 national advanced programs of "Outstanding Engineers Training Plan"

Postgraduate Majors

No.	Colleges	Specialty Name
1	College of Petroleum Engineering	Petroleum and Natural Gas Engineering
2	College of Earth Science & Engineering	Mineralogy, Petrology, Mineral Deposit
		Geological Resources and Geological Engineering
3	College of Chemistry & Chemical Engineering	Chemical Engineering and Technology
4	College of Electronic Engineering	Instrument Science and technology
		Electrical Engineering
		Control Science and Engineering
5	College of Mechanical Engineering	Mechanical Engineering
		Power Engineering and Engineering Thermophysics
6	College of Materials Science & Engineering	Materials Science and Engineering
7	College of Computer Science	Computer Science and Technology
8	College of Civil Engineering	Civil Engineering
9	College of Science	Optical engineering (Chinese Taught)
10	College of Marxism	Marxist Theories (Chinese Taught)
11	College of Economic Management	Regional Economics
		Finance (Chinese Taught)
		Industrial Economics
		Management Science and Engineering (Chinese Taught)
		Accounting (Chinese Taught)
		Enterprise Management
12	College of Humanities	International Education of Chinese Language (Chinese Taught)
		Art and Design (Chinese Taught)
13	College of Foreign Languages	Translation
14	College of Physical Education Department	Physical Education

1 Xi'an Municipal Government "Belt and Road" Scholarship for Foreign Students Program

Postgraduate Program: RMB 2,000 per month for a total of 10 months.

2 Xi'an Shiyou University Scholarship Program

Xi'an Shiyou University Freshman Scholarship to attract more outstanding overseas students.

Scholarship Categories	Scholarship Coverage	Scholarship Duration
First Class Scholarship	Tuition+Accommodation	4 Years
Second Class Scholarship	Tuition	4 Years
Third Class Scholarship	50% Tuition+50% Accommodation	4 Years
Fourth Class Scholarship	50%Tuition	4 Years
Fifth Class Scholarship	Waive RMB 5,000/Per Year	4 Years

Note: All scholarship students will need to participate in the annual review and decidewhether to continue, discontinue or cancel the scholarship according to the annual review results.

📍 **Address:** No.18, Second Dianzi Road, Xi'an, Shaanxi, China
College of International Education, Xi'an Shiyou University
